Don't Envy Doctors
A Modern Devil
93 Rebukes 80
Coming 100 Miles High

ARTHUR BRISBANE
A doctor of middle age
was killed because he refused
to take a night call. The woman
died.
A similar shocking trag-
edy occurred the other day. A doctor
of the family of a sick child
refused to take a night call, and
the child died. The doctor, arriving
after the death, was mur-
dered by the household, his
wife taking a revenge for the child's
death.

It is a profession not
to be entered upon lightly.
The first real doctor, wrote the
Hippocratics:
"I swear by Apollo, the physician,
Aesculapius and Hygieia and Panacea,
the gods and goddesses to whom
I have vowed that I will fulfill this
covenant and of my judgment,
I will give to the most serious
public service. Hippocrates,
the danger of his profession,
I hold it to be physically to
be a doctor, meaning
a life of misery."

On days the doctors' work was
to be in the ignorant work of
the future might have caused
murder.
The Brooklyn tragedy proves the
value of Hippocrates' ruling. Getting
patients or pay when they are
not, making defamations or even
murdering them, you need not envy
the doctors' work.

JOHN WOLLMAN reported to a re-
porter a set of old-fashioned views
on fundamentalism—that an evil
spirit had taken possession of his wife,
and that she was possessed by the
devil. He said that he had to cut off
her hair and let her lie down to
rest, and that she was possessed by
the devil. He said that he had to cut
off her hair and let her lie down to
rest, and that she was possessed by
the devil.

THE innocent ancients thought the
world was a substantial ceiling, not
a floor. Their heads, heaven was there.
Below our feet, the angels look down
on the world, and the world is a floor.
The ancients thought the world was
a substantial ceiling, not a floor.
Their heads, heaven was there.
Below our feet, the angels look down
on the world, and the world is a floor.

tricity, whatever it may be.

1927 OUTLOOK
IS FAVORABLE,
WITNESS SAYS

N. A. Hawkins, "World Cham-
pion Salesman" on Stand in
\$30,000,000 Tax Case
SEES CONSOLIDATIONS
Bright Future in Store for
Motor Industry; Foreign Mar-
kets Hardly Touched

Washington, Feb. 15.—Business
pessimism is a thing of the past—the
motor industry was never nearer the
saturation point—1927 will be as pros-
perous as the record 1926.
That's the way N. A. Hawkins, of
Detroit, "World Champion Salesman" and
former sales manager of the Ford
Motor Co., summed up America's busi-
ness situation today.

Hawkins, who testified in the \$30-
million tax case, said that General Motors
paid him \$150,000 a year salary, was particularly
optimistic as to the automobile industry, al-
though he anticipated vital changes in its
structure.
"I expect three or four big consoli-
dations among automobile manu-
facturers within the next six months,"
Hawkins said. "Some of these are
now preparing their merger plans."

No "Saturation Point"
For the big producers there will never
be a "saturation point," according to
Hawkins. He pointed out that im-
mediately contemplated consolidations
and other probable mergers in the
future probably will reduce the number
of makers of cars on the market.
Hawkins anticipated that the motor
business eventually will get into fewer
hands, but that these producers will
expand and the general economy of the
industry increase.

The foreign market for American
cars is hardly touched," Hawkins said.
"With the building of good roads in
Russia and China, a gigantic outlet for
American cars will be created. Other
markets in Europe and South America
will continue to expand."

May Be Stabilizing
"The automobile business may be
increasing as to become a stabilizer for
all industry, contributing to the elimi-
nation of hard times,"
Hawkins said. "The rapidly increasing
domestic market for automobiles, per-
centage of 30,000,000 cars will be in use
in the country within 10 years."

Consider what would happen if
Ford, for instance, cut his present per-
centage \$150 on the car," Hawkins said.
"That would bring the automobile
down to the average price. Every
laborer and clerk would have an auto-
mobile—some of them would have two."
There are unlikely to be radical
changes in automobile models in the
future, although a continual process
of improvement will be noted, in
Hawkins' opinion.

5,000,000 Replacement
Hawkins said that automobile re-
placement is at the present about 5-
6,000,000 a year.
The United States is reaching a
point in its financial and business
structure that panics are becoming im-
possible," he declared.
"Money panics are at an end—the
Federal Reserve System prevents them."
Pessimistic reports on the present
business picture are overdrawn. The
year should be prosperous. The outlook
for the future is even more flattering."

SITUATION GRAVE
IN MARION COUNTY
CORN BORER MENACE

Half of Rural Sections in This Community in Quarantine Area
with Prospects of All Townships Being
Included by Summer

What had of Marion County now in-
cluded in the corn borer quarantine
area and with prospects of the entire
county being taken in as the borer con-
tinues working its way south, farmers
and business men in this locality are
deeply interested in a general move-
ment now under way to combat the
boring menace in Ohio and other states.
Nine of the townships in Marion

SUNDAY DANCES
CONDEMNED BY
HILL IN TALK

Marion County Legislator Be-
fore House Committee in
Support of Measure

Assuming that dancing in Ohio on
Sundays is just as wild as on week-
days," H. Edmund Hill, repre-
senting Marion County in the Ohio
House of Representatives, this after-
noon addressed the house committee on
Sundays in his address on week-
days. Hill declared that he
represented Marion County in the Ohio
House of Representatives, this after-
noon addressed the house committee on
Sundays in his address on week-
days. Hill declared that he
represented Marion County in the Ohio
House of Representatives, this after-
noon addressed the house committee on
Sundays in his address on week-
days.

Other speakers favoring the bill in-
cluded Rev. J. H. T. Gordon, Logan
County, a member of the house, Rev.
J. E. Smock, Columbus, president of
the Ohio Christian Endeavorers' or-
ganization; Rev. S. W. Rosebark, Co-
lumbus, and Rev. R. H. Martin, Pitts-
burgh, president of the Presbyterian
Church of the United States.

That commercial interests were
making a concrete drive throughout
the nation in support of Sunday amuse-
ments which desecrated the Sabbath
day was declared by Rev. Dr. Martin.
Dr. Martin, however, expressed his
belief that the present Ohio law which
gives police the power to re-
fuse dance halls and amusements
to prohibit Sunday dancing is sufficient
to insure against Sabbath desecration.

Harold D. Sites, Columbus, assistant
secretary of the Ohio Manufacturers' As-
sociation, spoke against the Hill bill,
also. He said that managers of large
industrial concerns favor the present
law.
Sites read a letter, said to have been
written by C. B. King, Marion, presi-
dent of the Ohio Manufacturers' Asso-
ciation, containing the statement that
these amusement places, when well su-
pervised, are beneficial to industry,
making workers more content and re-
ducing the turn over of labor.

FINANCIAL BOYCOTT
Mexican C. of C. Official Accuses
U. S. State Department

Washington, Feb. 16.—The United
States is directing a financial and eco-
nomic boycott against Mexico "that is
a disaster for the world," declared
Jose Miguel Palmar, of the Mexican
Chamber of Commerce, New York, who
charged before the Senate Foreign re-
lations subcommittee today.
"American bankers are refusing to
render loans in Mexico and, in many
cases, have recalled loans," Palmar
declared. "It is the general belief in
Mexico that this financial boycott is
being conducted at the direction of the
state department."

FOUR-HOUR EARTHQUAKE
REPORTED AT FORDHAM

New York, Feb. 16.—An earthquake
of four hours' duration was reported by
Fordham University today. The tremor
began at 8:45 a. m. and lasted for
about 12 hours, according to reports
received by the university. The quake was
felt in the city and in the suburbs, and
caused considerable damage to the
southeast of New York.

ELECTRIC CHAIR
DEMANDED FOR
CONNEAUT BOY

Floyd Hewitt, 16, Confesses
To Brutal Murder of
Woman and Child
COAT BUTTON IS CLEW

Youth Confesses He Beat Her
When She Resisted
His Advances

Conneaut, Feb. 16.—Floyd Hewitt,
16-year-old farmer boy who late was
arrested and charged with the murder of
a woman and child, is now being held
in the Ohio House of Representatives.
Hewitt confessed that he beat the mother
and her 5-year-old baby to death in her
home here, will die in the elec-
tric chair.
That was the declaration here today
of County Prosecutor C. R. Cook of
Ashland County as he made prepara-
tions to seek an immediate grand jury
indictment for first degree murder
against the youth.

Hewitt confessed late yesterday to
the sheriff that he beat Mrs. Frederick
Brown to death with a poker when she
resisted an improper advance he made
as he sat beside her on a sofa in her
home late Monday night, then clubbed
her baby to death with a baseball bat
as the child screamed in fear at the
spectacle of the murder of his mother.
Woman Defends Self
Hewitt, who lived across the road
from the Brown home, had been in the
habit of visiting Mrs. Brown almost
every evening and listening to the ra-
dio, while her husband, a railroad man,
was at work. He told the sheriff that
Mrs. Brown slapped his face when he
made an improper advance, and "this
made him mad." He attacked her and
when she seized the poker to defend
herself, he wrested it from her grasp
and beat her to death.

The battered bodies of the wife and
child were found by Brown early yes-
terday on his return home from work.
The youthful prisoner has been re-
moved to the county jail at Jefferson.
Was "Well Behaved"
According to Hewitt's confession
made Tuesday, after police authorities
had confronted him with a button
tipped from his own coat, he committed
the crime Monday night, after becoming
temporarily crazed by music from the
radio.

Floyd Hewitt is very large for his
age. Although only 16 years old, he
stands over six feet in height and is of
very husky build.
In the face of overwhelming evidence,
Floyd's mother will not believe her son
guilty. She claims the lad did not
leave his home on the night of the
murder.

SENATE READY TO VOTE
ON CONTESTED BANK BILL

McFadden-Pepper Measure Is
Certain of Passage, Cloture
Vote Indicates

Washington, Feb. 16.—The 15 month
battle of eastern financial interests for
enactment of the McFadden-Pepper bill,
strengthening of the federal
banking system, ended a close today
with the senate ready for a final vote on
the measure.
The bill will pass easily, administra-
tion leaders predicted, following the
adoption of cloture by a vote of 65 to
18. The measure then will go to the
White House for the signature of Presi-
dent Coolidge as the house already has
approved it.
Opposition to the bill, coming chiefly
from the insurance lobby, was strug-
gled by the adoption of cloture. Under
the limitation of debate so imposed, the in-
surgents charged the bill was being
"railroaded" through congress without
the American people being given an op-
portunity to learn its possible effects
on the national financial life.

TAXATION COMMITTEE'S
REPORT TO SENATE DUE

Columbus, Feb. 16.—Bills which are
expected as laws, to increase the
state's revenues more than \$200,000
a year, are scheduled to be reported on
today by the senate taxation commit-
tee with recommendations that they be
passed. These measures are the Kump-
er bill, increasing the excise tax from
12 to 15 per cent, and the Agler bill,
raising the corporation franchise tax to
2 1/2 of 1 per cent from 1-1/2 of 1 per
cent.

Eleven Killed, 21 Injured
When Snowslide Engulfs
Southern California Camp

GIVE UP HOPE
GENEVA PARLEY
WILL CUT ARMS

American Government to Con-
tinue Efforts to Obtain Dis-
armament Agreement
FRENCH REJECT PLAN

Replies of Other Powers Await-
ed Before President Cool-
idge Acts

Washington, Feb. 16.—The American
government will continue its efforts to
obtain an agreement with the great
powers limiting military naval arm-
aments, notwithstanding that such efforts now
appear almost futile in the light of
France's refusal to make Geneva the
place of definite action next month.

France's note of rejection was being
studied today. It seemed to afford but
little hope of any concrete success in
the near future toward further naval
disarmament. Indeed, Secretary of
State Kellogg characterized it as in-
dicating a serious blow at the
whole scheme of disarmament. Future
moves on the part of this government,
if any, will, however, await the receipt
of replies from Great Britain, Italy and
Japan, the other powers addressed last
week.

In an official quarter in Washington
it was here hoped of the Geneva con-
ference accomplishing anything real in
the way of disarmament. Despite the
expression of doubt in the French
note that the Geneva gathering is work-
ing toward the same goal as President
Coolidge proposed.

The collapse, if it is a collapse, of
President Coolidge's disarmament pro-
posals leaves his position a delicate
one in the matter of the future of the
American navy.

Coolidge has constantly opposed all
efforts to strengthen the navy in aux-
iliary ships, particularly cruisers, on
the ground that such action would
precipitate the arms race.
Not by word or deed did Coolidge wish
to give other powers the impression that
his government was engaging in "compe-
titive armament."

COLUMBUS BOYS ADMIT
SERIES OF ROBBERIES

Cases of 10 Filling Stations,
Chain Grocery Store, 15
Automobiles Cleared

Columbus, Feb. 16.—Five young men
ranging in ages from 18 to 21 years,
today confessed to robbing nine filling
stations and one chain grocery store
here the winter, one filling station at
Springfield and the theft of 15 auto-
mobiles, police declared today. Further
confessions are expected, according to
police, although a series of eight chain
store holdups is denied by all of the
boys.

WOUNDS PATROLMAN
Near Riot Occurs in Pure Snatching
Explosion at Columbus

Columbus, Feb. 16.—One policeman
was wounded, a negro is in city jail,
and another negro, badly mangled in a
riot today, as the result of a pure
snatching episode, and a battle royal, in
the Columbus negro district.
Policeman Householder was slashed
on the thigh by an unidentified negro
who snatched a white woman's purse.
The purse snatcher, 30, almost into
the arms of the policeman, when the
latter screamed. During the ensuing
battle, the policeman slashed the other
and escaped after a running fight with
a half dozen soldiers from Fort Hayes,
who were attracted to the scene.
Householder arrested a second negro,
who attempted to aid the escaping
robber by hitting him into an auto-
mobile, while the battle was at its
height.

Cuts Salary!
King Christian of Denmark
Tells Government He
Gets Too Much

COPENHAGEN, Denmark, Feb. 16.—
Saying that Denmark has no les-
sons to take from any other nation in
regard to govern-
mental economy,
King Christian has
just requested the
government to cut
10 per cent from
his salary and
from the main-
tenance allow-
ances paid all the mem-
bers of the royal
household. The king,
in his request,
stated that he
wished to take a
part in the Danish
national economic
reconstruction.

HUBER COMPANY
PLANS 150 NEW
ROAD ROLLERS

Preparing to Start Work on
First Schedule of 50
Machines

The Huber Manufacturing Co. is
preparing to start manufacture of its
new five-ton type of road roller, models
of which were recently exhibited at the
National Road Show in Chicago. The
first production schedule calls for 50 of
the rollers and it is expected that
about three times this number will be
manufactured and sold before the close
of the year.

Stock material required for the first
50 machines is expected to arrive at the
factory this week.
Officials of the Huber company re-
port that there is a large and growing
demand for small rollers and that for
this reason the five-ton type is added
to the local company's line. In the
past a 10-ton model has been the chief
item in the Huber company's produc-
tion.

Manufacture of the larger road roll-
ers, along with filling of orders for
tractors, has kept the Huber plant op-
erating at near capacity during the last
few months and operations will be still
more extensive when work on the five-
ton rollers begins.

OPERATORS' ULTIMATUM
DEMANDS LOWER WAGES

Miners' Refusal to Accept Cut
Is Answered in Uncompro-
mising Terms

Minid, Fla., Feb. 26.—"Cut wages
or go home!"
This ultimatum was delivered to the
miners today by the operators associ-
ated here for the joint wage conference
of the central bituminous fields.
It was the owners' answer to the
miners' refusal to accept a wage cut,
or substitute a sliding scale for the
existing arbitrary rate of \$7.50 a day
for the union miners in Illinois, Indiana,
Ohio and Pennsylvania.

75,000 SHARES SOLD
New York Banks Buys W. M. Evans
Held By Property Custodian

Washington, Feb. 16.—Sale of nearly
75,000 shares of stock in the Western
Maryland railroad, which has been held
for years by the alien property custo-
dian, to the Manhattan Bank Co. of
New York was announced here today.
The Manhattan Bank was reported to
be acting buyers connected with the
Baltimore and Ohio Railroad.
The purchase price of the stock,
consisting of 55,000 shares of common
and 19,970 shares of first preferred,
was \$4,019,000.
The alien property custodian, who
over the shares from their alien own-
ers, the Deutsche Bank of Berlin,

TONS OF SLUSH,
DEBRIS HURTL

Second Avalanche Occurs as
Rescuers Attempt to Aid
Injured Workers

CALIFORNIA STRICKEN

Total of 22 Persons Dead as
Result of Storms, Cyclones
and Quakes

San Francisco, Feb. 16.—The
entire bay area today was in the
grip of one of the worst storms in
years.
Telephone and telegraph poles
were uprooted by the force of the
gale and Oakland was virtually
isolated because of failure of the
electric railway power system.

Los Angeles, Feb. 16.—An un-
identified woman and baby were
killed in a huge landslide in Laurel
Canyon near Hollywood today, ac-
cording to a report received at the
county office here.

Fresno, Cal., Feb. 16.—Eleven per-
sons, including one woman, were killed,
21 were injured and three are missing
following a landslide which thundered
down the Sierra Nevada Mountains
near Englewood, a construction camp of
the Southern California Edison Co. ac-
cording to word received here today.
The construction camp is located
about 15 miles northwest of here, at an
altitude of 1,000 feet.
The snow melted by recent heavy
rains cascaded down the mountain side
and killed 11 persons outright and in-
jured 21 others. While a rescue party
was attempting to aid the stricken,
a second slide came hurtling down and
killed one man and injured 10 others.
While the ongoing crew was at work
yesterday, the huge fall of snow on the
mountains suddenly gave away and
tumbled down the mountainside uprooting
trees and carrying huge boulders down
on the camp.

Many Are Trapped
Wounded by the roar of the avalanche,
a few of the workers were able to run
to safety. The others were trapped by
the tons of slush and debris that
crushed the camp buildings like egg
shells. It was in one of these camp
buildings that Mrs. C. J. Patton, wife
of the camp electrician foreman, lost
her life.

Five bodies had been recovered at
midnight. Five others were known to
be dead, and three others were missing.
Those missing, it is feared, are also
trapped beneath the huge slides.
The men killed and injured in the
avalanche were working on a hydro-
electric power project of the Southern
California Edison Co. About 250 men
were employed at the camp.
The city of Taft suffered heavy dam-
age yesterday when a high wind ripped
through the city, stripping buildings of
roofs and causing citizens to seek
shelter from flying debris. Trees were
uprooted and radio aerials smashed to
bits by the gale. Several persons suf-
fered minor injuries.

Slight Quake Recorded
A slight earthquake was registered
at Salinas yesterday. It caused no
damages. The tremor was also felt in
Santa Cruz and other points on the
coast as well as Hollister Island and
as far north as Oakland.

With the rains still continuing to-
day, fire is felt that considerable dam-
age may result from overflowing rivers.
Hundreds of motorists traveling be-
tween Los Angeles and San Diego have
been forced to stop at Santa Ana and
San Juan Capistrano. Following the
washout of two bridges near the latter
city.

California
is Stricken

Heavy rains, miniature cyclones,
slight earthquakes, snowslides and
thunder and lightning have visited
various sections of California during
the last 24 hours.
At least 22 persons have been killed
as the direct result of the rains and
snowslides.
Seven persons have been killed in
Los Angeles in traffic accidents, the
result of heavy rains.
Two members of the crew of a Union
Pacific train were killed last night
when the train plunged into a swollen
creek about 15 miles from Los Angeles.
Twenty passengers were injured, some
of them seriously.
The train plunged through a bridge
weakened by the rains of the last three
days.
Train Crashes Boulder
Another accident took the toll of two
lives near Congress Ariz., when a
Santa Fe train crashed into a boulder
that had been washed down on the
train. Page 5

CLEVELAND MAN HEADS OHIO CRIPPLE SOCIETY

Annual Convention of International Group Under Way at Cincinnati

Cincinnati, Feb. 15.—The International Society for Crippled Children opened its sixth annual convention here today with more than 1,000 delegates, representing nearly all sections of the United States and many parts of Canada.

Scores of figures prominent in international medical, educational and welfare circles were scheduled to address the group to today's session. The convention closes tomorrow. Among the array of notables to speak

today were Edgar F. Allen, Elton C. Bunker, founder of the organization, and Paul P. Harris, Chicago, founder and president emeritus of Rotary International.

At a meeting of the Ohio Society for Crippled Children here last night, John Bender, Cincinnati, was elected president of the organization for this year. He succeeded Gardner Lattimore of Columbus.

Other officers named last night were: George C. Mitchell, Columbus, first vice president; M. E. Hitzelbeck, Washington, D. C., second vice president; Samuel S. Squire, Elgin, treasurer; and Dr. Ralph Jones, Chillicothe, secretary.

Directors of the Ohio organization chosen were: Fenton Holt, Dayton; L. M. Laybald, Steubenville; Charles Schaffer, Mansfield; P. A. Dandane, Ashland; Harry D. Kinard, Steubenville; Dr. Baker Finley, Cleveland; H. Bentley, Cleveland; J. S. Spoor, Elgin; and George F. Schenck, Cincinnati.

OMAHA GIRL IS SUCCEEDING IN ITALIAN OPERA

Miss Ruth Thompson, above, a native of Omaha, Neb., is achieving success on the opera stage in Rome, Italy. Although only 21, Miss Thompson has appeared in a number of operatic roles and is adding to her fame and popularity with every appearance. She started her stage career at an early age as a solo dancer.

SCARLET FEVER TESTS ARE GIVEN AT MECKER

Dr. N. Siffritt and Dr. Tate in Charge of Work at School

Tests for scarlet fever were being made at the Mecker School today by Dr. N. Siffritt, county health commissioner, assisted by Dr. Tate, from the state health department. The Dick test was to be given all children whose parents gave consent for the test this afternoon, and the readings will be taken tomorrow morning. The readings must be taken within 24 hours the time the test is made.

Mecker school was taken first by the health officials in the Dick test because the school has had two cases of scarlet fever and the school was therefore first on the list. There have been no other cases since the first two were reported.

Other schools in the county will be

OFFERS NEW PROPOSAL IN GRADE ELIMINATION

Issuance of \$25,000,000 in Bonds For Defraying of State's Cost Recommended

Columbus, Feb. 15.—A new proposal for eliminating dangerous railroad grade crossings throughout Ohio was pending today in the Ohio House of Representatives.

The proposal is in the form of a joint resolution offered by Rep. R. W. Emmons, Columbiana County, as a substitute for one previously introduced by him. In his latest proposal, Emmons seeks an amendment of the state constitution so as to permit issuance of bonds in not more than \$25,000,000 in bonds, proceeds from the state of which would be used in defraying the state's share of the cost of eliminating the crossings.

In his previous resolution, Emmons proposed that bonds be issued to the

amount of \$100,000,000, and that the state loan part of the proceeds to the railroads, counties and municipalities in cooperation with this work.

The new proposal provides that the work of eliminating the crossings be performed under existing state laws which require that the railroads pay at least 50 per cent of the cost of any work. The proposed bonds would bear 5 1/2 per cent annual interest and would be retired in semi-annual installments over a period of 20 years. A commission would be established and a special tax levied to meet payment of bonds and interest as they fell due.

PERMIT ISSUED

A building permit was issued from the office of the City Clerk, yesterday, to H. C. Barr for remodeling of his dwelling at 217 Superior at an estimated cost of \$1,000.

Realtor's home with pictures. See Murphy's line, 126 S. Main street. Adv.

THREE ARRESTED

trio charged with intoxication and disorderly conduct

Three men were arrested here last night and taken to the city jail for intoxication and disorderly conduct. They were James Mann, 38, of this city, and James Mann, 38, of this city, and James Mann, 38, of this city. Their place of residence unknown, were held for intoxication. They were taken to custody on N. Main street.

DISORDERED STOMACH GAS—HEARTBURN DISCOMFORT

See How Quick Relief Comes

DON'T think gas, heartburn, and discomfort after eating are "nothing to bother about." They mean that your bowels are not working properly. There's waste matter in your stomach, poisoning your system.

Dillingham's Plant Juice will clear it out. Mr. W. A. Boyd of 539 Sixth St., New Cumberland, Pa., says:

"Plant Juice just made a new man out of me. I was in bad shape through my stomach being out of order. My appetite was poor, and what I did eat would give me such pains in the pit of my stomach I would almost double in two, and it would hurt me when I would bend or stoop over. As my work calls for a lot of stooping and bending this sure was a drawback.

After seven bottles of Plant Juice my digestion is perfect, and I never suffer pains of any sort. I can bend over and lift things all day. I have new strength and energy."

Gently, naturally, without gripping or discomfort, Plant Juice will urge your stomach on to do its work. And it's pleasant and easy to take.

Nothing but the products of the woods and fields in Plant Juice.

Ask your druggist for the original Dillingham's Plant Juice, with over thirty years reputation.

How Does She Do It!

(Not a Hair Out of Place!)

Do you know the very best way to make hair stay just as you have dressed it? Simply a few drops of Danderine! Try it, and you'll never want to use sticky dressings again—or even hairline.

A little Danderine on the scalp actually dissolves every particle of dandruff scale, and leaves the head absolutely CLEAN. But stroke a few drops through the hair (use your comb or a Danderine-dampened towel) and see how well it looks and behaves! Any permanent wave or water wave lasts much longer and looks much nicer when Danderine is used instead of water to "set" the wave.

ASK YOUR DRUGGIST
Get a bottle of Danderine and start its benefits today. Every drugstore in America has it, for only 30c. For the finest dressing you could find, and the best aid to hair health yet discovered, just try—

Danderine

SEEK CHANGE IN FREIGHT RATE ON OHIO COAL

Proposed Revision in Interstate Commerce One of Most Important Measures

The general revision of the freight rates on Ohio coal in interstate commerce will bring before the Interstate Commerce Commission representatives of the coal operators and the railroads.

The Best Thing For A Lame Back

Pain Goes at Once

NO MATTER how severe the pain, you can get rid of the agony and torture without resorting to powerful drugs. You will be amazed at the quick relief. Just use that time-tried Mustang ointment. It possesses almost magical penetrating power—going immediately to the sore spot and driving away the pain. Get a bottle

lumbus one of the most important measures of the current session for consideration, it was reported here today. Representative S. K. Marden of Athens County is the author of the bill, that would make this revision possible and is hopeful that something may be accomplished at the present session of the general assembly to alleviate conditions in the Southern Ohio mining fields which he attributes solely to the freight rates situation and to the competition with the fields of West Virginia and Kentucky. That is the content of statements received in local railroad offices.

Whether the Interstate Commerce Commission will recognize such a law, if passed by the general assembly, is only a matter of conjecture, since this body in the past has seen it to maintain a low rate between the West Virginia and Kentucky mines and lake ports while Ohio mine operators are said to have had to pay a higher rate.

Would Affect Coal
The new rates would affect only the coal being carried to lake ports, it is claimed. Heavy shipments of coal over the Hocking Valley, through Marion, come directly from the southern Ohio mining district. Practically all the coal going through Marion is carried to lake ports. The Pennsylvania also carries a large amount of coal via the Marion route.

An increase in the amount of coal to be sent north has been reported lately. It is said that industries in Ohio are stocking up with a large coal supply.

before at the meeting in Miami this week.

Rail Briefs
Erie Train 10 yesterday carried a special baggage car with the effects of the Don Hur Co., enroute from Urbana to Mansfield.

W. D. Cooper of the Erie Railroad, having headquarters in Chicago, was in Marion yesterday.

A. R. Tennis, division freight agent of the Kent Division, Erie Railroad, was in Delaware yesterday.

O. L. Thum, division passenger agent of the Erie Division, Erie Railroad, was a visitor here yesterday.

F. H. Seeger, traveling freight and passenger agent of the Union Pacific system, having offices in Cincinnati, was a visitor in the local railroad yards yesterday.

REVISED FACTORY PLANS SUBMITTED TO BOARD

Bids on Wilson Bohannon Co. Plant To Be Received Feb. 24

Revised plans for the Wilson Bohannon Co. factory building, to be constructed on a recently purchased Buck Creek site, were completed today by Architect J. Lewis Elms and submitted to the company's board of directors.

Bids on the construction work will be opened at noon, Feb. 24, it will be announced today.

Revision of the factory plans was decided upon by the directors after contractors' bids opened on Feb. 9 were found to be in excess of preliminary estimates and also higher than the amount decided upon for building construction.

Bids will be received on the main factory building, which will have 12,000 square feet of floor space, and also on plumbing, heating and lighting equipment. Nine proposals were submitted by contractors on the original plans.

The company, which already has a market established for its products, consisting of locks and hardware supplies, is scheduled to start operations about June 1.

COUPLE CONVICTED

On Feb. 16, Postoffice inspectors here today were notified of the conviction of a Pittsburgh of C. W. Sam, alias "Redneck," and Mrs. Lucetta Meyer of Pittsburgh who were apprehended here last fall on charges of

Why Be Old At Forty?

Renew Your Nerve Force by Scientific Stimulation

Iron out the wrinkles and lift out the lines and hollows with firm, stay there flesh and you can take ten years off your age. If you want to radiate the magnificence of perfect health like the vigor and bounding energy around you, try taking a scientific balanced day's stimulation three times a day. Men and women all around you are gaining new strength in this way and there is no reason why you should continue to be run-down and lacking in vigor and snap.

You should watch yourself constant. At the first sign of weakness, the first day you find yourself tiring easily, the very minute your nerves get on edge you should start taking this great stimulant. When the symptoms first show that's the time to start to get well. To delay is dangerous—many fatal mistakes start from neglect of just such common, seemingly unimportant symptoms as these.

effective methods have been found to check its progress. No appreciable damage to the commercial value of corn in Marion County will be noticeable for five years, it is stated, and it is hoped that research by experts and united action by farmers will finally prevent the borer from doing a great amount of damage.

The question is of utmost importance to Marion County, farm leaders say, as corn has always been one of the main crops in this locality.

RELATIVES HERE GET WORD OF PASTOR'S DEATH

Word has been received by relatives here of the death last night at midnight of Rev. W. H. Warren, 65, at his home in Columbus. Funeral services will be held at 2 o'clock Thursday afternoon at the home followed by interment in a cemetery in that city.

BIRTHS

Announcement was made today of the birth of a son, Feb. 11, to Mr. and Mrs. H. S. Garster, of Dayton, Ky. Miami Hospital, that city. Mrs. Garster formerly was Miss Esther Unepner, of Marion.

In proportion to population Nevada leads all the States in the number of its young women who are attending college.

UNABLE TO WALK WITHOUT HELP

Now perfectly well after simple home treatment

All the way from Ireland, J. McKenna of St. Patrick's House, Kinnairham, Dublin, sends this report of a remarkably quick and complete recovery from an acute attack of sciatica.

"I was very bad with sciatica in my hips and legs and was unable to walk without assistance," he writes. "I took a friend's advice and got a bottle of Sloan's Liniment, and am now perfectly well."

Sloan's gets results because it doesn't just deaden the nerves. It helps the body to throw off the cause of the pain by stirring up the body's own curative powers.

Pat it on lightly. No need to rub. It is the medicine itself that does the work. It will give relief at once to pain, swelling, stiffness, inflammation.

Get a bottle today and have it on hand. All druggists—35 cents.

LOYD P. DE GALLEY HURT IN STREETCAR MISHAP

Squeezed Between Two Cars
on E. Center-st
Siding

Lloyd P. DeGalle, 135 N. Main-st, local attorney is in City Hospital suffering from injuries sustained about 8 o'clock last night when he was squeezed between a city street car and a westbound Columbus, Delaware & Marion traction on the E. Center-st siding.

According to witnesses the accident occurred near the west end of the siding. DeGalle started to cross the south track of the siding in front of the east bound city car. J. F. Parham, motorman of the city car, saw the man step on the track. He sounded his gong. DeGalle jumped, was tossed very, onto the other track in the path of the westbound traction and again jumped between the two cars when he saw both were moving in his direction.

Attendants at the hospital this afternoon said that his injuries are not serious. They include several facial wounds and body bruises.

HERE'S MORE ABOUT CALIFORNIA STORMS

STARTS ON PAGE 1

track. The engineer and fireman were killed.

A snowslide at the construction camp on the deep creek tunnel project of the Southern California Edison Co. 75 miles northeast of Fresno, exacted another heavy toll. Eleven men are known to have been killed and others are believed to have met the same fate, according to belated advices received here today. Relief parties have been sent to the isolated camp in the Sierra Nevada mountains.

Los Angeles was virtually flooded by the record breaking storm. Scores of street throughout the city were flooded from curb to curb and in many instances the water overflowed into basements. Residents in various parts of the city were also flooded and thousands of automobiles were stalled in the streets.

Scores of families in the San Fernando Valley, in the Van Nuys district, east of Los Angeles, were reported to have abandoned their homes as raging flood waters swept down upon them and swamped their belongings. Squads of policemen and firemen were dispatched to aid the fugitives of the storm.

The angry sea waters carried away more than four feet of beach in Venice and Santa Monica, undermining ocean front walks and buildings.

Radio officials at the government station at Point Pinos, near San Pedro, reported the storm at that point the worst in many years. The radio-like wind splashed ocean spray over the station, which is built 97 feet above sea level.

Off the Palos Verdes coast a small boat with two men on board was seen last night to be making frantic efforts to reach a nearby landing. Whether they succumbed or not was not known.

RELATIVES HERE GET WORD OF PASTOR'S DEATH

Word has been received by relatives here of the death last night at midnight of Rev. W. H. Warren, 65, at his home in Columbus. Funeral services will be held at 2 o'clock Thursday afternoon at the home followed by interment in a cemetery in that city.

Reverend Warren, who was a Presbyterian minister, is survived by his wife and a son and daughter. He was a brother-in-law of Mrs. Charles Wayland, Belmont-st, who was called to Columbus, this week on account of his illness and an uncle of John H. Haines, Lincoln-st. Mr. and Mrs. Haines will attend the funeral services tomorrow.

ARTIFICIAL SKINS

Manufacture Material Which Resembles Reptile Hides

Paris, Feb. 16—Following the popular vogue for reptile skins, the manufacturers are producing a material which closely resembles it and is much more within the reach of every woman's pocketbook.

Frocks made of this new material usually come untripped, the material itself being sufficiently decorative. They are made on straight lines with a fairly low waist-line, a suggestion of fullness given by panels.

Another novel fabric intended for brighter days ahead or present wear on the Riviera, is in a futuristic design, colored stripes being wrought on a pale foundation. This light silk makes attractive two-piece frocks trimmed with a deep black band at the foot of the skirt and c.sque.

Ensemble

Afternoon ensembles are being made in light wool poplins which promise to be very popular for spring wear. Perventive georgette over pale pink is used for an afternoon gown which has the loose bolero effect.

Velvetene will take the lace of velvet when the robins come back. Kasba has become a classic and is perennially smart. So are crepe and frisks. Simple and smart ensembles of reps and other finely-ribbed wools will make tailfours and street-frocks. Crepe de chine will never say die and crepe satin and silk and wool jersey are materials which are certainly going to go over with the tide into springtime styles.

There is a rumor that cotton is coming back to its own in spring styles but cotton will not make any sort of public appearance smartly speaking until the latter part of the Riviera season at least.

Slightly improved

The condition of Rev. C. L. Allen, pastor of Calvary Evangelical Church, who is seriously ill of ulcers of the stomach at his home, E. Church-st, reported slightly improved today.

Another milestone in the advance of women in England into occupations and professions in which man has hitherto held undisputed sway, is marked by the appointment of Miss Edith Deasley, a branch manager of a large insurance company. The appointment is said to be the first of its kind.

COUGHS

Stop 'Em Quick

Don't cough all night. A few drops of Bron-Chy-Line will relieve that restless, weakening cough. Bron-Chy-Line contains a sure cure for coughs that makes you feel better and coughs stop.

FIREMAN KILLED

Damage in Williamsport Blaze Estimated at Million Dollars

Williamsport, Pa., Feb. 16—One fireman was killed and many persons were made homeless by a fire which destroyed an entire block in the upper end of the business district here early today. The property loss was estimated at \$1,000,000. The blaze, started in the Link Hardware Store, destroyed the entire four-story Link building, which covered a block, housing a number of stores and apartments.

SCHOOLS SAVINGS TOTAL NEARS \$30,000 MARK

Grades Deposit \$708.98 This Week as Compared to \$713.34 Last Week

School savings this week were approximately the same as last week, the report of deposits today showed. The combined savings today was \$805.37, while last week the deposit was \$866.34.

The grade schools today deposited \$708.98 in comparison with \$713.34 last week, and Harding High School today deposited \$156.20, in comparison with \$153 last week.

Today's deposit brings the total in the school savings deposit fund to \$28,548.40.

SPENDS YEAR MAKING ONE PICTURE

Most motion picture folk would begin to wonder how to keep the wolf from the door if they only worked one film a year. Not Fay Wray who hails from Salt Lake City. While she has been in but one picture during the past year she's been in it all the time—she's still in it. She has the role of "Mildred" in "The Wedding March," written, directed and played by by Eric Von Stroheim.

FOG'S HEAVY LOSS

Cost of Six Day Mist Will Run Into Millions of Dollars

London, Feb. 16—With England still fog-bound after six consecutive days, it was estimated today that transportation companies and business houses, hotels, restaurants and theaters, have suffered losses running into millions of dollars.

MURDER TRIAL OPENS

Ten Men, Two Women in Jury Box at Mansfield

Mansfield, Feb. 16—Ten men and two women today took their seats in the jury box to hear the first degree murder trial of Phillip Orlick, alias William Fox, paroled reformatory inmate charged with the first degree murder of Urban Wilford, reformatory guard.

Wilford was killed, the state charges, by Fox Nov. 2 as part of a plan to liberate a former cell mate of Fox.

Orlick was known also by the alias of George Carpenter, and was known as a pugilist under the name of Fox.

ABSENCE OF WITNESSES DELAYS RUDNER TRIAL

Brief Adjournment of Court Granted on Motion of State

Canton, Feb. 16—Trial of Ben Rudner, Massillon, charged with first degree murder in connection with the killing of Ben Mullett, Canton publisher, was delayed today following motion of state counsel for adjournment. The motion was granted and court adjourned shortly after 10 o'clock, until 1 o'clock.

The state asked indulgence of the court, in view of the fact that two important witnesses were absent.

During the short session this morning, Grant Marpe, court stenographer during the Patrick McDermott trial, verified testimony of Rudner during that trial to the effect that Rudner never knew McDermott; never had seen him prior to the trial or had any dealings with him.

Laura Hardy, telephone operator on duty at police headquarters in Canton City Hall the night of the murder, testified that she did not get the call to flash a general signal light until 12:30 o'clock. She stated that she then tried to get Sergeant Dan Hunter let failed.

She received an answer from Patricia Vollock.

PEAFF AND SLAGLE TAKEN TO CANTON

Cleveland, Feb. 16—Dan Peaff and Stanley Slagle, important witnesses in the Rudner trial at Canton, who were arrested as the alleged operators of an "apartment saloon," here today, left at 10 o'clock this morning for Canton.

District Attorney A. E. Herstein refused to have charges of conspiracy to violate the federal liquor laws placed against the men, so that state officers could take them to Canton immediately, to testify in the Rudner trial.

JAMES SMITH, 18, TAKEN TO MARION COUNTY JAIL

Transferred from Detention Home While Case Is Being Investigated

James Smith, 18, arrested about a week ago at his home on Bellefontaine as an accomplice in robberies committed in connection with Marion's recent juvenile crime wave, has been transferred from the Juvenile Detention Home to the county jail while his case is being investigated.

Although Chief of Police Thompson says that when the boy was arrested he admitted having taken part in two robberies at the Miller grocery on Cherry-st, it is reported that he now asserts his innocence.

As young Smith was under 18 years of age when his alleged offense was committed, it was thought that his case could be heard in Juvenile Court. Should investigation result in charges being filed against him, however, he will be arraigned in Municipal Court, officials indicated today.

Unless more evidence can be obtained, however, it is likely that the boy will be released. Police say that his arrest resulted from information obtained from other boys taken into custody in the recent juvenile round-up.

RELATIVES HERE GET WORD OF PASTOR'S DEATH

Word has been received by relatives here of the death last night at midnight of Rev. W. H. Warren, 65, at his home in Columbus. Funeral services will be held at 2 o'clock Thursday afternoon at the home followed by interment in a cemetery in that city.

Reverend Warren, who was a Presbyterian minister, is survived by his wife and a son and daughter. He was a brother-in-law of Mrs. Charles Wayland, Belmont-st, who was called to Columbus, this week on account of his illness and an uncle of John H. Haines, Lincoln-st. FOG'S HEAVY LOSS

Cost of Six Day Mist Will Run Into Millions of Dollars

London, Feb. 16—With England still fog-bound after six consecutive days, it was estimated today that transportation companies and business houses, hotels, restaurants and theaters, have suffered losses running into millions of dollars.

This constituted the longest fog of a quarter of a century. Hundreds of vessels were withstood today in the English channel, on the Thames and in the south of England ports.

Losses suffered by shipping companies and railroads on account of delays and holdups due to the fog, were expected to reach \$5,000,000. London stores, restaurants, theaters and lodges houses estimated their losses at \$2,000,000.

Another railroad accident, due to the fog, was reported today when an express train crashed into a motor ferry as the train drew into the Liverpool Street station. One man was killed and several passengers were slightly injured.

PREPARES MESSAGE

Donahy To Recommend Law Prohibiting Machines For Gambling

Columbus, Feb. 16—Governor Vic Donahy today is preparing a legislative message in which he will recommend enactment of legislation prohibiting use of slot machines throughout Ohio for gambling.

In this message, which may be sent to the senate Thursday, the governor asks for passage of a law which specifically prohibits use of slot machines except for vending merchandise.

PATRIOTIC PROGRAM IS GIVEN BY RELIEF CORPS

Members of Affiliated Organizations Are Guests at Demonstration

Members of Casper Post, No. 117, G. A. R., Corporal Harriet Circle, Ladies of the G. A. R., and Harriet Beecher Stone Post, Daughters of Veterans, were guests at a patriotic program given yesterday afternoon at the Community House, 8 High-st, by members of Casper Post, No. 117. The program marked a joint celebration of the birthday anniversaries of Washington, Lincoln and McKinley. Following the program about 100 guests were entertained at a Washington tea.

The program opened with the officers' march and a song, "Battle Hymn of the Republic," sung by members of the corps quartet. Mrs. Alice Dandore, Mrs. Anna Bauer, Mrs. L. E. Kennedy and Mrs. Lulu Moreland. A prayer by Charles Wiley, commander of Casper Post, was followed by short talks on the life of Washington by a number of the members and guests. Taps was sounded following the talks. A song by the quartet, "Crazy Me Back to Old Virginia," was followed by a paper, "The Peace Table," by Mrs. John C. Cramer. Another song, "Testing Tonight on the Old Camp Ground," by the quartet, was followed by a reading, "The Schoolmaster's Guest," by Mrs. L. A. Wilson, and papers on Abraham Lincoln by Mrs. Maude Jacoby and Mrs. Minnie Blow. A paper on "President McKinley," by Mrs. Fido Neal was followed by a talk on the life of Washington by Commander Wiley and brief talks by Commander Silverwood and McKinley of the Delaware Post, and Commander James Sharrock, the last survivor of James McNeil Post, Iberia, and his son, James Sharrock, Jr. The Iberia Post once had a membership of 80. The program closed with the singing of "Blest Be the Tie That Binds," by the assembly.

Fewer Children Now Have to Work, Figures Disclose

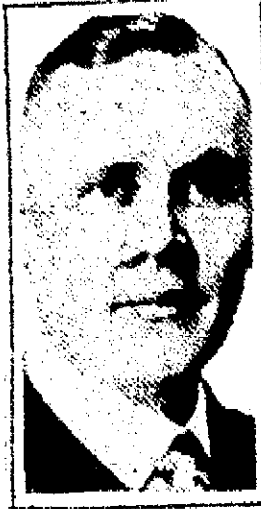

Young Getting More Years in School; Four Out of 10 Producers

BY CHARLES P. STEWART
WASHINGTON, Feb. 18.—In 1910, 41.5 per cent of the population of the United States was engaged in earning its own living.

In 1920, the gainfully employed were only 34.1 per cent of the total. In 1925, they were but 37.2 per cent.

The figures are the National Industrial Conference Board's.

IN other words, year after last fewer than four WILLIAM GREEN persons in 10 were actual producers.

But for the most part, the figures mean that young folk do not have to begin working for wages as soon as they did in 1910 and that the older are able to retire earlier than they were then.

UPON consideration, it becomes apparent that the volume of production must have increased as the number of producers diminished.

wouldn't be able to keep their children in school longer than they could turn out. And there must be a bigger surplus than there was, of the surplus of old people who would be in a position to retire and live on the National Industrial Conference Board finds this deduction borne out by the facts.

National production has increased right along year by year, despite the steady falling off in the proportion of the gainfully employed.

The board gives the credit to more efficient methods and labor-saving machinery.

FOR other countries, the board has no figures available later than 1923, but it does draw some comparisons for that year.

The gainfully employed then in the United States were 39.4 per cent.

In England, 41 per cent.

In Italy, 40 per cent.

France, 33 per cent.

Germany, more than 50 per cent.

The board considers this the finest test of these countries' comparative degrees of prosperity.

JUST how long the proportion of producers can continue to be paid down, with the volume of their production simultaneously piling up, is a

For REAL Motor Protection~

Play Safe Both Ways!

DANGEROUS thinning of the oil which should protect your motor can be prevented. This breaking down of the oil film usually results from—

- {1} Dilution of oil by unexploded, raw gasoline;
- {2} Terrific heat within the motor cylinders.

Every particle of Detonox makes power—without a knock

Oil dilution can be checked by using **DETNOX** Gasoline—a fuel which gives a dry, quick-firing mixture, requiring very little use of the choke when starting. **DETNOX** burns completely, leaving no raw gasoline to drip into the crankcase.

Here a further thinning of Tiolene protects your motor

The second danger can be guarded against by using **Tiolene**, 100% Super-Pennsylvania Motor Oil. Long after ordinary oils have broken down and burned, **Tiolene** lubricates and protects. **Tiolene** withstands the terrific heat of your motor longer because it is the only oil made from Cabin Creek Crude, the most costly Pennsylvania grade.

To assure positive lubrication and double motor protection use **DETNOX** Gasoline and **Tiolene** Motor Oil the year 'round.

Tiolene
100% Super-Pennsylvania MOTOR OIL

Overhead Expense

The largest item in most family's overhead is rent—and how often we've heard "If we didn't have it to pay, we could have this and that for the other thing." Still, some continue in the old rut—the home ownership problem looks too big for them—they lack sufficient money to complete their plans or some other obstacle blocks the way.

Start today to save a small per cent of your pay and in the near future you can meet these annoying obstacles.

Patsy's Patter

Gossip and Guesses in the
World of Sport

By Pat Murphy

COBB and **Eddie Collins**, two of the outstanding stars of the American League, prefer a life of ease for 1934. Both players say the Boston Red Sox is the only team they can definitely count on in the winter.

Each likes the chances of Philadelphia and Washington best, with little to choose between New York and Cleveland. They rate Detroit, St. Louis and Chicago in the third tier of contenders.

Boston is again considered the one best bet for the winter championship.

PLANS for making automobile races safer, both for the spectators and contestants, were discussed today at a meeting in Chicago of the stockholders of the International Motor Contest Association.

"Guard rails along the tracks and concrete walls of low height," "level tracks and grand stands have been used with notable success at some tracks," said A. C. Coe, of Des Moines, Iowa, secretary-treasurer of the association.

THE advance guard of the Pittsburgh Pirates will leave for Paso Robles, Calif., Saturday. The squad will include pitchers and catchers and Manager Don Bush, Coaches Eds and Manager and Scout Frazier and Devine.

Only six or eight will be in the party when it leaves here, the balance being picked up at various points en route. The party will reach Paso Robles, Feb. 23.

WINTER football will get under way at Ohio State University Wednesday evening when Dr. J. W. Winters and his assistant coaches will meet with a class of gridiron candidates at Ohio Stadium.

Varsity O men and members of the yearling first team were not included in the group invited to attend the winter practices, which will last for two weeks and serve as a preliminary training for the annual spring football.

An extra effort is being made to get men out for this training who have not been football candidates before.

DESITE a poor throwing arm, Manager Miller Huggins of the New York Yankees regards Earl Combs as one of the most valuable outfielders in the American League.

While Huggins wanted Tria Speaker, he refused to give him the preference over Combs as a regular. He realizes Combs has a much longer career ahead than Speaker.

Pear alone, that sending Combs to the bench for Speaker might destroy the confidence of the promising Kentuckian, caused him to finally pass up Speaker.

THAT the enthusiastic adoption of football in Portugal had a mitigating influence on the conduct of last week's revolution, was the statement made by Dr. Da Silva, former governor of Madeira.

"It was our worst revolution since 1907," he said.

He explained by saying that the rebellious soldiers did their utmost to avoid shooting innocent persons, and attributed this sporting spirit to the effect of football, a game in which Portuguese had become enthusiastically interested in the last decade.

TRIS SPEAKERS and his trusty 300 carat bludgeons will occupy third place in the Washington Senators' batting lineup next season—the same batting place he had while manager of the Cleveland Indians.

This was the announcement of Manager Stanley Harris at the Washington training camp at Tampa, Fla.

SOME of the promoters of professional football in 1935, even those who lost money, are holding a gamely defiance now. In spite of their losses, they are going ahead with the game next fall, they say.

If they do, they are likely to find that the market for college players is extremely tight, since it now appears that bond selling and other pursuits are more stable, if not so quickly productive, in a financial war (on paper) than professional football.

BUCKY HARRIS has exactly 20 burles and could be burles to pick his 1937 staff of pitchers from. At least, that's how many names the Washington pilot has listed as burles for an exhibition of their wares at Tampa, Fla., during spring training. Among the list are several veterans, including the Peerless Johnson, Stan Corelesky, Marberry, Thurston and Murray.

SABIN CARR of Yale bettered the world's pole vault record of 13 feet 8 1/2 inches when he cleared the bar at 13 feet 9 1/2 inches at the New York A. C. games in Madison Square Garden Monday night.

Mostly Wells of Dartmouth equalled the world's record of 7.37 seconds to win the 60-yard high hurdles.

Carr's feat caused wild cheering in the big garden which was filled with a colorful crowd of college students and New York sportsmen. Paul Harrington of the Boston A. placed second and Bradley of Princeton third.

In the hurdle event Campbell of Yale was second and Frank of Penn. third.

It was the Dartmouth hurdler's third world's record of the indoor season.

CHARLES (CHUCK) McGINNIS, captain of the Wisconsin track team, stars on the ground, in the air, and in the water.

McGinnis has established a record as one of the most versatile athletes in the annals of Cardinal sports. At one time he held the Big Ten high jump record and he is reputed to be one of the best hurdlers in the conference.

Two weeks ago McGinnis hung up his track shoes to accompany the Badger swimming team to Chicago. With the meet seemingly lost, McGinnis came through with a second place in one of the dives, and gave Wisconsin a 53.54 victory.

McGinnis holds the Wisconsin indoor record of 6 feet 5 1/2 inches in the high jump. In the pole vault he consistently goes 12 feet 0 inches. On the ground, he makes a specialty of clipping the 120-yard high hurdles close to 45 second.

Steam Shovel Five Swamps Robert Lees, 49-21

Capital City Basketeers Hopelessly Outclassed by Stellar Marion Quintet

Chick Harley Starts Game But Is Soon Jerked; Ben Dempsey and Johnson Do Best Work for Visitors; Roll, Schwab and Bacon Enjoy Themselves and Make Several Field Goals

By EDDIE SCHOENLEB
Sports Editor, The Star

Hopelessly outclassing their opponents in a lopsided, loosely played, uninteresting contest, the Marion Steam shovel quintet last night humbled the Capital City Basketeers. In fact, the Shovels made three field goals in 20 minutes. The Capital City players, who were a pitiful exhibition of basketball, did not make a single field goal. The Shovels had easy picking all night and they knew it. Ben Dempsey, who started the game, was jerked out after the first quarter. They played about the floor enjoying themselves largely while the Capital City players stood by and watched. The Marion players played basketball for a short time, and then decided it was time to rest. The Shovels could have rested all evening and still won the game.

With the exception of Harley Pearce, of Ohio Wesleyan, who failed to appear in the lineup last night, the Robert Lees were represented by their usual quintet, the one that is now leading the Capital City League in Columbus. Chick Harley started the game at forward but was jerked five minutes after the battle got under way and replaced Ben Dempsey, former Ohio State star. Chick was again placed in action in the second half but didn't last long. Bohyer, Roll, Schwab, Sacksteder and Compton started the game for the Shovels and played the entire first half. Bacon replaced Compton in the second half and towards the end of the massacre, all the aces got a chance.

STEREOS DEFEAT LINOS IN BOWLING LEAGUE

Upset Dope Bucket and Take Second Game by Large Margin

Upsetting the dope bucket in the Marion Star Bowling League, the Stereos last night defeated the Lino-types 665 to 618 in the second game of the match on the Y. M. C. A. alleys. The Linos took the first fray 625 to 573.

Thomas was high scorer for the Linos with 169 pins and Carroll led the Stereos to victory with 161 pins in the last game.

SUMMARY	
Carroll	153 161-217
Jacobs	96 121-217
Lester	106 115-251
Watson	123 128-251
Smith	95 110-256

Scott	126 132-258
Murphy	111 137-248
Thomas	156 160-316

Totals 625 618 1243

WADDELLS AND BUICKS VICTORS IN PIN GAMES

Buicks Defeat Bentz Tires and Waddell Team Beats Motorcycles

Marion Buicks won two games, and Smart & Waddell duplicated the feat last night in the National Bowling League games on the Y. M. C. A. alleys. Buicks beat Bentz Tires and Smart & Waddell took the biggest pinning Motorcycles down a couple of pins.

Williams was high scorer for the Buicks with 154 pins and Roll rolled 214 for Bentz Tires. Steinmetz came through with a 201 score for Smart & Waddell in the second 40 while McRill did his best to pull his team out of the hole with a 216 mark in the second game.

Bradley Drugs are still leading the league with the Midland Nationals on their heels. Next comes Motorcycles, then Bentz, Richmans and Dugans tied for fifth place. Smart & Waddell is in sixth and the Buicks occupy the cellar.

SCHAEFER LEADS HOPPE
New York, Feb. 16—Jake Schaefer today was leading Willie Hoppe, 182 to 141, in their 181 ballline billiard match here. Schaefer won the first block 200 to 191 and the second 300 to 62, with Hoppe putting up a median game. Schaefer made one run of 113.

LONGEST SKI JUMP
The world's record for the longest ski jump is 215 feet, made by Anders Haugen in Colorado in 1919.

TWO EARLY "HOPES" FOR DERBY

These two little thoroughbreds above are early season favorites in discussion of possibilities for the Kentucky Derby next May. Both are owned by J. E. Widener. Upper photo is of "Chance Shot," with Earle Sande up. Inset is of "Osmond," taken in his stable.

Morrill High Girls' Quint Ready for Title Contest

Members of the Morrill High School girls' basketball team are anxiously awaiting the outcome of the girls' title race in the east Marion County league. They want to know just what team they are to meet for the county championship in the Star auditorium Friday, Feb. 23.

The Morrill girls have lost but one basketball tilt this season. That defeat came two weeks ago at the hands of Lallier on the latter's floor. They're leading the east league now and practically have the title clinched. In fact, they're looking ahead for the big championship battle.

The feminine quintet from the west league has a record of seven wins and one downfall. And, by the way, that single defeat came in an overtime game. Lallier has been defeated twice this season, once by Prospect and on the other occasion by Morrill girls. The team from the extreme western portion of the county stands second in the league.

Morrill girls have scored a total

of 150 points in eight games while the team of all their opponents combined tallies at the 63 mark.

The stellar cape outfit has only one more game to play to complete the schedule. That comes Friday night at Green Camp. It has a record of 10 wins and two losses on two occasions and will likely report Morrill fans will have a chance to see them in action in the county title race in the Star auditorium, Friday, Feb. 23.

ADVANCE GUARD

Boston Braves Park Up For Training Camp In Florida

Boston, Feb. 16—The advance guard of the Boston Braves today packed up ready to leave tonight for spring training at St. Petersburg, Fla.

The "gang" will be made up of "Big" Cunningham, secretary, Dick Rudolph, coach, Foster Edwards, former Dartmouth pitcher, Frank Hogan, candidate for catcher, "Doc" Neary, trainer, James Cooney, first baseman and Joe Gensel, second baseman. Joe Gensel, Dan Lewis and John Wertz will join the party in New York.

Baptists Again Winners; Presbyterians Five Wins First Game This Season

Epworth M. E. Basketeers Easily Win Over United Brethren; Lutherans, Minus Williams at Center, Make Miserable Showing Against Presbyterians; All Games Lopsided

Team of Baptists last night conquered the United Brethren, 30 to 12, in the first game of the season. Epworth M. E. basketeers played a very strong game, taking an easy game from the United Brethren, 30 to 12. Presbyterians won their first game of the season when they took the Lutherans into camp to the tune of 29 to 10.

The two Merchants scored 25 of the 30 points credited the Baptist crew last night. While Snyder and Akron made the six points scored by Epworth. It was a complete walk-around for the Baptists from start to finish.

Minus their center, Williams, the Lutherans fell before the onslaught of the awakened Presbyterian crew last night. Leffer at forward made 10 points for the Lutherans. Merchants made 16 counters for the Presbyterians.

UNITED BRETHREN

Jack Delaney in Pink of Condition for Maloney Bout

WALSH VIEWS FIGHTER DURING DAILY WORKOUT

Says Jack Is 100 Per Cent Athlete; In Excellent Condition

By DAVIS J. WALSH

Report, Conn. Feb. 16.—Browned, muscularly muscled and as clear as a figure in a stained glass window, Jack Delaney today was 100 per cent as he worked out in a gymnasium that had much of the atmosphere associated with London prize fights. The physical Delaney seemed to be in perfect condition.

Delaney's night's battle of the ring indoors might be regarded as a success in some respects. Delaney's performance would seem to be far better than Jimmy Maloney's and that would be in spite of the ten-round distance. Maloney has the edge in weight and strength and that will hurt, unless Delaney can buck and wing his way out of the quarters.

Delaney Looks Good
They said Delaney looked twice the man he did on Monday when he was hospitalized about his wife's illness, which was improved considerably. As to his performance, it was an impression that Delaney was trying to show much today.

He worked a lot with a left jab but was not his game at all and the punch was short, at least in his bout with George Ward. The latter is a tough welterweight and when he landed Delaney, which was nearly all the time, the latter's old backing up was asserted itself. He used this to ring to jockey his man into the ropes right cross but Delaney refused from trying it on Ward.

With one Eddie Clark, brother of the Joplin Ghost, so-called because he is supposed to be white. Delaney refused to put in several rounds of boxing and wrestling. Just why this was the procedure I cannot say for I did not watch within 50 yards of the figure Maloney is expected to see.

Takes No Chances
It may be, too, that the light heavyweight champion, being a bit heavily, does not care to take any chances on getting softened before the fight. However, a little more work with a heavy weight on Maloney's part might have given him an advance idea of what Friday night will be all about.

However, many a good man is beginning to realize that no one knows too much about it. One man has condition and speed, the other weight and strength. Both are alleged to have unbroken chins. The ringless stepfather goes to the man who can call the turn and know exactly why he did it.

What a mother likes about a young man is usually what her daughter does not.

Official National League Schedule, 1927

(Black figures denote Sundays and Holidays, latter in parentheses)

CLARIDON GIRLS BEAT CALEDONIA IN LEAGUE TILT

Make Eight Points on Free Throws and Take Rivals into Camp

Making eight points on free throws, the Claridon girls, heretofore considered one of the weakest basketball teams in the east county section league, last night beat out the Caledonia team 10 to 8 in one of the greatest upsets in Marion County basketball this season. The game was played on the Claridon gymnasium, which has no home gym.

Claridon made the only field goal recorded for Caledonia, and in addition scored three of the charity markers, making a total of five points. Wilcox, at center, connected for three free throws, Kramer made one, and Collins was credited with one.

Claridon scored four points in the second half and the half ended 5 to 4 with Claridon on top. Caledonia staged a brief comeback in the third quarter and were leading 8 to 7 when the whistle blew for the final fourth period when the visitors were held scoreless while Claridon connected for the three winning points.

Purdue Defeats Michigan; Trio Tied in Big Ten Race

Lafayette, Ind., Feb. 16.—The Western Conference basketball championship was out of the bag today, following the Michigan's upset here last night at the hands of Purdue. The score was 37 to 32.

With the tide practically turned away, the Wolverines suffered their first defeat of the season. This was enough to hurl them back into a tie for first place with Wisconsin and Purdue. Each of these three teams have now won five games and lost one. Michigan outplayed the Wolverines all through the first half, which ended 22 to 16 for Wolverines. At one time in this period Michigan led 18 to 7.

But in the second half "Cotton" Wilcox, Purdue star forward, broke loose and started a scoring orgy with a mid goal. Bob Wilson snuck a couple from long range and tied the count.

At Reading, Pa.—Emory Cahana of Portland, Me., won decision over Spencer Gardner of New York. Eight rounds.

At Wilkes-Barre, Pa.—Tommy Loughran of Philadelphia, won decision over Johnny Tisko of Cleveland, ten rounds. Jimmy Braddock of Jersey City won decision over Jack Nelson of Philadelphia, six rounds.

At Harrisburg, Pa.—Johnny Gill of York, Pa., won decision over Jimmy Dargy of Portland, Ore., eight rounds.

At New London, Conn.—George Balducci of Lewiston, Me., won decision over Tony Travers, local boy, ten rounds.

CALEDONIA RESERVES TRIM GALLON JUNIORS

Win 28 to 15 in Preliminary To Claridon-Caledonia Game

Caledonia High School boys' reserves last night defeated Gallon Juniors, 28 to 15 in a preliminary event to the Claridon-Caledonia girls' basketball game in the Martel gym.

The score at the half was 16 to 7 with Caledonia leading. The Marion County lads were never threatened. Motsch of Gallon refereed.

HARLOW SIGNS
Baltimore, Feb. 16.—Dick Harlow, former Colgate football star, has signed a five-year contract to coach for Western Maryland. It was announced today.

Investigation: An official smoke screen behind which the big offenders hide the shells.

World-Famed Cleveland Rosenblums Coming Here Friday for Isaly Game

The world-famed Cleveland Rosenblums will make their annual Marion visit Friday night. They will meet the Isaly Indians in the Star auditorium.

Marion fans will at last have a chance to see in action the local Cleveland case stars, including Cooke Cunningham, G. E. N. Hickey, Rich Pugh, Friedman, Kerr and Rustin. Every name has gained the place in the professional sport world as well as the college basketball hall of fame.

The Rosenblums took the American Basketball League present the first half of the season but have shown a decided slump during the latter half. However, Saturday night, after accumulating a long string of defeats, the Clevelanders rounded back into their old-time form and took the famous Rochester quintet into camp to the tune of 26 to 15. They defeated Rochester again last night.

An altered lineup did the trick and as a result, Cooke Cunningham, who will probably be found in the center's position, when the initial whistle blows here Friday night, Cunningham will be remembered.

HOWITZER BASKETEERS TO OPPOSE AGOSTA CAGERS
Agosta, Feb. 16.—The Marion Howitzer basketball team will oppose the Agosta Lancers team on the Agosta court Thursday night, Feb. 17. A fast game is expected.

More good judgment is needed in changing an opinion than in forming one.

HOW EXPERTS JUDGE CIGARS

Men who know cigars judge quality on five points: (1) Burn; (2) Aroma; (3) Flavor or taste; (4) Color; (5) Workmanship. Which do you count the most important?

It is our own organization there is no complete answer as to which feature is the main reason for the growing popularity of San Felice. Is it the blend or its mildness or other qualities? Try one and judge it point by point. What feature do you think is responsible for the amazing increase in demand for San Felice?—a demand which has doubled and tripled? Perhaps it is the mild smoke you are looking for. It costs only 5c to find out. So try a San Felice today—then you'll know.

GRID LETTERS AWARDED TO 12 AT MT. GILEAD

Eleven Players and Manager
of Football Team Honored
at Banquet

Mt. Gilead, Feb. 16.—Football letters were awarded 11 players and the manager, members of the team that represented Mt. Gilead High School last night at the annual banquet held at the Globe Hotel. Those receiving letters were: Gerald Zolman, Doug Shide, Edward Stevens, Walter Bennett, Ralph Stevens, Ward Sander, John Matthews, Charles Grayne, James Thompson, Robert White, Louis Osborne and Lowell Thompson, manager, 1927 schedule.

The schedule for next year, as announced by John Howard Gungwer, principal of the high school, follows: Oct. 1, Bellefonte; Oct. 7, at Marysville; Oct. 14, Crestline; Oct. 21, at Loudonville; Oct. 28, Delaware; Nov. 4, at Granville; Nov. 11, Galion; Nov. 18, Lexington; Nov. 24, at Upper Sandusky.

Following the two-course dinner, served at 6 o'clock, the program was given, over which Ralph Stevens presided as emcee.

Talks were given by Captain Osborne, Supt. P. E. Arnold, Captain-elect Macek, Charles Grayne, Barbara Olds, Prof. C. G. Gray and John Howard Gungwer. Senior members of the team, Zolman, D. Shide, Bennett and D. Stevens responded briefly when called upon.

WELDING EXPERT SPEAKS AT KENTON LUNCHEON

Importance of Process Is
Stressed By Professor of
Electrical Engineering

Kenton, Feb. 16.—That welding by various methods, principally electric welding, now stands as one of the all-important tools in industry, was the statement made by Prof. Comfort A. Adams, for 36 years an instructor in electrical engineering at Harvard University, in speaking before the Chamber of Commerce luncheon meeting.

Prof. Adams is in Kenton supervising experimental work being carried out at the Ohio Machine Tool Company plant in the welding of special alloys and metals entering into the manufacture of tubes for motor car rollers now in an experimental stage.

H. A. Woolter, designer of the Swift Electric Welder manufactured at the Ohio Machine Tool Company plant, is assisting in the experimental work together with W. B. Ornitz, metallurgist.

FLORENCE LUCILLE DIX TUBERCULOSIS VICTIM

Daughter of William Dix Dies
Funeral Scheduled For
This Afternoon

Mt. Gilead, Feb. 16.—Florence Lucille Dix, 18, died at the home of her father yesterday morning at five o'clock. Pulmonary tuberculosis was given as the cause of her death. She is survived by her father, William Dix; a sister, Hazel Dix; and brother, Fred Dix of Mt. Gilead.

Funeral services were held at the home this afternoon, conducted by Rev. Daniel Hamill, of the Presbyterian Church. Burial was at South Moonfield.

GALION TOURIST CLUB MEMBERS ENTERTAINED

Galion, Feb. 16.—Mrs. Harry Budd, Miss Hulda Klapp and Miss Lydia Marcus were assisting hostesses last night when Mrs. Lester Ritz entertained members of the Tourist Club at the regular monthly parlor meeting, at her home, S. Union-st. Three interesting papers were read, "The World's Mightiest Cataract," Miss Laura Koppe, "Rediscovering the Oldest Playground of the World," Mrs. Martha Klapp and "Exploring the Crater of Vesuvius," Miss Hulda Klapp. Following the business and study sessions games and contests were enjoyed with the hostesses serving refreshments at the close.

FUNERAL SERVICES HELD

Carey, Feb. 16.—Funeral services for Esther Grady, six-year-old daughter of Mr. and Mrs. Charles Grady, were held this afternoon at two o'clock from Memorial Evangelical Church with Rev. L. H. Naumann, pastor of the church officiating. Burial was made in Spring Grove Cemetery.

BUS SCHEDULE

Leave Marion for Galion with a direct connection for Mansfield every two hours from 7:10 a. m. to 6:10 p. m.

TWO LOSE FINGERS

Kenton Men's Injuries Sufficient To
Require Amputation

Kenton, Feb. 16.—Two accidents in which fingers were sustained necessitating the amputation of fingers, were reported today.

Dale Livingston, 26, suffered a mangled little finger on the right hand while at work in a Kanton industry, and was removed to the McKelrick hospital where the finger was amputated at the first joint.

James Kniffman, farmer of west of here, was injured a week ago, while assisting a machine operator when established in front of his home. The forefinger on his right hand was torn when it caught in the machine wheel. Complications necessitated amputation of the finger at the hand.

MRS. STONER HOSTESS TO PROSPECT W. C. T. U.

Plans for Institute To Be Held
in May Are
Discussed

Prospect, Feb. 16.—Mrs. Sarah Stoner was hostess to the W. C. T. U. Tuesday afternoon, when 15 members and two visitors were present. With Mrs. Stoner in charge, the meeting opened by singing the Consecration song, Mrs. W. M. Keller read Psalm 1, as a Scripture lesson, Mrs. Glenwood Beal read the W. C. T. U. Ten Commandments. Several members offered sentence prayers. Song, "Cheering Some One On." Reports were given by the treasurer, and several department superintendents. Plans were discussed concerning the institute to be held here early in May, with Mrs. Mattie Slater as speaker. "Ohio's Most Illustrious Woman," a paper concerning Judge Florence Allen, was read by Mrs. William Griffith. "Comparison Between 1917 and 1927," was given by Mrs. Trickett. "Women in the Legislature," by Mrs. Ellis. "Smoking by Women," by Mrs. Moore. "Henry Ford's Verdict," by Mrs. Margaret Wynn. Mrs. Marion Flint gave a talk based on a cartoon entitled "Then and Now." Mrs. Charles Selander read a letter of appreciation from John Matt, a patient in the hospital at Dayton. Department Superintendents were appointed on the program committee for the March meeting, which will be held at the home of Mrs. Frank Crawford. The meeting closed by singing, "Oh Master Let Me Walk with Thee," and prayer by Mrs. Flint.

KENTON DEBATERS LOSE IN TRIANGULAR MEET

Bluffton Negatives and Carey
Affirmatives Victorious on
Primary Subject

Kenton, Feb. 16.—In the first triangular debate and musical contest of the year in which Kenton, Carey and Bluffton high schools participated, Kenton's affirmative debaters lost to the Bluffton negatives here while the local negative team lost to Carey there.

The question debated was that the primary system of elections should be abolished in the state of Ohio. Prof. J. T. Marshall, Ohio Wesleyan University, Delaware, judged the debate here.

Kenton's musical contestants carried off the major portion of honors at Carey, winning three out of four events, while Bluffton's like number at Bluffton here. Local contests were judged by Prof. Mark Evans, director of the college of music at Ohio Northern University.

One of the largest crowds in the history of the triangular scholastic meets, jammed the high school auditorium last night.

BAPTIST YOUNG PEOPLE'S MEET HELD AT BUCYRUS

Bucyrus, Feb. 16.—Members and delegates of the Mansfield district Baptist Young People's Association gathered at the Bucyrus church last night for the annual district meeting. The program of events included a banquet and an interesting program. Young people's association of the following churches are members of the association: Bucyrus, Galion, Harmony, Loudonville, Mansfield, Newell, Pleasant Valley, Peversville, Shelby and Vermilion.

LARGE NUMBER ATTEND EVANGELISTIC SERVICES

Galion, Feb. 16.—A large crowd was present at the evangelistic meeting at the Church of Christ last night to hear Reverend Cook, the visiting evangelist, preach a forceful sermon on "Is Evolution Found in the Bible?" Since the meetings started last week the audience has been steadily increasing so that arrangements are being made to hold over services for several additional days.

MANY FROM GALION IN ATTENDANCE AT FUNERAL

Galion, Feb. 16.—Among those from Galion who attended the funeral services for Mrs. Frank Case, of near Bloomington, were: Edwin Hurrell, Mrs. E. M. Ray, Mrs. R. H. Hoffman, Calvin Tuttle, Misses Anna and Ethel Tuttle. After services at the home with Reverend Crum officiating burial was made at the Bloomington cemetery.

HUGH DIAMOND SPEAKS AT BUCYRUS BANQUET

Bucyrus, Feb. 16.—Hugh Diamond, Galion entertainer, addressed the business and Christian Endeavor officials of Crawford County at the banquet held at the United Brethren Church Tuesday night. A large number attended the banquet. Rev. Wylie of the Presbyterian church introduced the speaker.

FIRST MINSTREL SHOW TONIGHT AT MARYSVILLE

Proceeds of Kiwanis Performance
To Be Donated To
Hospital

Marysville, Feb. 16.—The first performance of the 1927 edition of the Marysville Kiwanis Minstrel will be given tonight at the City Opera House. The production will be repeated tomorrow night. All the proceeds derived from the entertainment will be given over to the Marysville King's Daughters for charity purposes. The Kiwanis sponsored a similar entertainment a year ago, the proceeds from which were turned over to the local King's Daughters hospital.

The cast composed of members of the Kiwanis Club have spent much time the past two weeks in preparing for the production which is in charge of Charles Gene, of Marion.

This first part of the program will consist of vocal and circus number interspersed with a number of good musical phrases common to the colored boys of minstrel fame. Those having solo parts are Frank Holycross, Dr. H. J. Nield, Bernard Anderson, "Doc," Asman, Joe Foley and Edward Knoble.

Entertainment for the intermission will consist of a violin solo by Miss Marion Lehn, supervisor of music in the Marysville Public Schools, and a vocal solo by Mrs. Ralph Smith and selections by the Kiwanis Quartet.

Part two will consist of a three-act play, "Over the Waves," by Charles Gann and given by the Dacktown Radio Club, of Marysville, the following comprising the cast: Dr. H. J. Nield, J. M. Leitz, Joe Foley, E. S. Fankner, P. T. Jangard, Edward Knoble, Charles Asman, George Kagar, Sidney Fisher and H. C. Wright. The chorus will sing the closing number.

COUPLE MARRIED AT LUTHERAN PARSONAGE

Miss Margaret Leopold Becomes
Bride of Lester
R. Swank

Nevada, Feb. 16.—Lester R. Swank and Miss Margaret Leopold were united in marriage on Saturday at 2 o'clock at the Lutheran parsonage in Nevada. The ceremony was performed by Rev. H. H. Richardson and was attended by Mr. and Mrs. Thomas Hillman of Mansfield and Mrs. Charles Lark and son Robert.

Mrs. Charles Lark, the son of Mr. and Mrs. Lark, was the best man. The bride is the daughter of Mr. and Mrs. John Leopold, of Mansfield, and is a teacher in the schools at that place.

The bride was becomingly attired in a gown of rose colored tulle. After spending the weekend at the Lark home, the happy couple left on Sunday night for Mansfield where they will be at home to their many friends at 51 W. First-st.

FOREIGN MISSION DAY OBSERVED BY CHURCHES

Prospect, Feb. 16.—Foreign Mission Day was celebrated at the Prospect and Green Camp Reformed churches Sunday, with good crowds in attendance, despite the inclement weather. Horace A. Meyer, of Xenia, O., vice president of the Board of foreign missions of the Reformed churches, spoke on "Foreign Missions and Stewardship of the Time," putting God first in all our life. \$248,000 was expected to be raised by all the Reformed Churches in the United States. Prospect church went over the top, giving \$150.

The men of the local church are to meet at the church Thursday night, Feb. 17, to effect organization. The Christian Endeavor social will be held at the parsonage, Monday night.

PASTOR ACCEPTS CALL TO OSHKOSH, WIS., CHURCH

Marysville, Feb. 16.—Prof. John A. Bauman, who has been principal of Trinity Lutheran School of this city, for the past three years, has accepted a call from a congregation in Oshkosh, Wis., to take charge of a parochial school there. His resignation will take effect at the close of the present school term.

FORMER BUCYRUS WOMAN DIES AT HILLSDALE, MICH.

Bucyrus, Feb. 16.—Last rites were held yesterday for Mrs. Sarah Garner Platt, 80, aunt of Mrs. R. W. Lamb of this city, and burial was made at Hillsdale, Mich. She was formerly a resident of Bucyrus.

MRS. SPENCER HOSTESS TO TUESDAY BRIDGE CLUB

Carey, Feb. 16.—Mrs. R. G. Spencer was hostess to the Tuesday Bridge Club yesterday afternoon. The time was spent with bridge and lunch was served by the hostess. Mrs. W. H. Cunn of Lancaster, and Mrs. L. G. Love were guests.

ENTERTAINS FRIENDS IN HONOR OF SISTER

Carey, Feb. 16.—Mrs. C. E. Thome entertained a few friends Monday night at the home of her mother, Mrs. Naomi Hunter, for the pleasure of her sister, Mrs. Naomi Flicker of Toledo. The evening was spent with five hundred and refreshments were served by the hostess.

SHOULD BE DAUGHTER OF ARTS

Ann Stuart Keller, daughter of Mary Stuart, teacher of dramatics, and Morris Keller, should by birthright be a musical genius for she is the only child born at Carnegie Hall, New York City. The child, who is a year old, is shown with her mother at home in the music center.

GALION CLUB HOLDS ITS MOTHER-GUEST PROGRAM

Event Is Conducted At Home
of Mrs. Dean Talbot,
Near City

Galion, Feb. 16.—The annual Mother and Guest night of the Round Table Club, the most interesting event on the weekly society schedule, was enjoyed last night at the home of Mrs. Dean Talbot, Harding Way West. Over 100 mothers and friends of members were present. Assisting Mrs. Talbot were Mrs. Dale Stroder, Mrs. Herman Volk and Mrs. E. E. DeLaughter.

The decorations were suggestive of the Valentine season with refreshments and favors following the same color code. Little Miss Mary Boyd distributed carnations to the guests as they assembled for the program, which consisted of musical numbers and readings. Misses Nella Younger and Lois Beck favored with vocal solos; Charles Line played several violin numbers; Miss Lucile Homer and Mrs. Reuben Ponder contributed two piano duets and Miss Doris Clark closed the program with a splendid reading of Zola's, one act play, "Cecile Jany." Theodore Schaefer was accompanist for all of the numbers.

Following the program cakes and ices were served, and a delightful social time was enjoyed until a late hour.

ROTARY MEETS

Mt. Gilead Manufacturer Addresses
Galion Club

Galion, Feb. 16.—An appropriate address featured the weekly meeting of the Galion Rotary club when Frank B. Miller, prominent Mt. Gilead manufacturer, spoke to a large audience of members and guests on "Lincoln." McMillan's talk which fitted in well with Rotary ideals and aims was also an accurate study of the life and activities of the great American and was interesting and beneficial throughout.

The club committee is announcing for their next meeting a special address by Fred E. Guthrie of Marion as past president of the Marion organization.

WOMEN'S RELIEF CORPS HOLDS REGULAR MEETING

Richwood, Feb. 16.—Livingston W. R. C. held a regular meeting Tuesday afternoon with 25 members present. Considerable business was transacted, and during the business session it was reported that \$200.00 worth of clothing had been donated to needy children. Mrs. C. D. Tracey, patriotic instructor gave a brief patriotic program, consisting of reading on Washington and Lincoln. Mrs. Henry Hexworth president of the Martha Washington Circle presided, and the next meeting would be held next Tuesday, at the home of Mrs. John Horn.

CANDIDATE INITIATED AT RICHWOOD LODGE MEET

Richwood, Feb. 16.—Clairborne Rebeck Lodge, No. 267, held a regular meeting Tuesday night at their hall, in the absence of Mrs. Thurman Murphy, the vice grand, Mary Hatcher had charge of the meeting. One candidate was initiated. Guests were present from Mayflower Lodge of Essex. Lunch was served by a committee during the social hour.

TAKEN TO HOSPITAL

Mt. Gilead, Feb. 16.—Mrs. John Sipe was taken to the Grant Hospital yesterday morning where she will be a patient of Dr. Drury. Mrs. Sipe lives about five miles south of Mt. Gilead and has been under the care of Dr. A. C. Richards.

SUNDAY DINNER

Richwood, Feb. 16.—Mr. and Mrs. P. G. Baker entertained with dinner Sunday, Mr. and Mrs. J. P. Hatcher and Dale Wood, Mr. and Mrs. Henry Scott of Cleveland, Mrs. Mary Hatcher and son Harold of Richwood.

ATTEND PARTY

Richwood, Feb. 16.—Those from Richwood who attended the American Legion Valentine Party Monday night at Marysville were Mrs. C. L. Ross, president of the local auxiliary, and Mrs. Harold Kerns, Mr. and Mrs. L. G. Zuppan, Dallas Sullivan, Mr. and Mrs. L. E. Benton, and J. Tennant, commander of local post.

BROTHER DIES

Bucyrus, Feb. 16.—John E. Snyder, 423 E. Charles-st., has received word of the death of his only brother, Daniel Snyder. Snyder was a civil war veteran and lived at Bucklin, Kansas.

WOMAN TALKS

Mrs. O. L. Williams, Cardington,
Addresses Society

Mt. Gilead, Feb. 16.—Mrs. O. L. Williams, of Cardington, president of the Mansfield district of the Standard Bearers' Missionary Society of the Methodist church, addressed the monthly meeting of the local society, held at the Methodist parsonage last night.

A picnic was enjoyed, followed by the business meeting. There was a large attendance.

In her talk, Mrs. Williams outlined the nature of the work for the year and emphasized the important phases of missionary program to be carried out by the organization.

ANNOUNCE LINEUP OF BUCYRUS HIGH DEBATERS

Members of Affirmative and
Negative Teams Named by
Squad Coach

Bucyrus, Feb. 16.—Coach James Fley of the Bucyrus High School debate squad has announced the lineups of the local teams for the triangle debate with Marion and Delaware March 4. The members of the affirmative team, Coach Fley announced, are: Carl Zaebst, first speaker; "Sam" Beer, second speaker; Vinat Watts, third speaker; and Walter Spivey, alternate. The members of the negative team are: Ruth Rilling, first speaker; Ruth Ricker, second speaker; Fred Holt, third speaker, and Josiah Barger, alternate.

The Bucyrus affirmative team will meet the Delaware negative team at the high school auditorium while the Bucyrus negative squad will go to Marion to debate the Harding High affirmative. The question to be discussed is "Resolved that the present method of direct primary in Ohio should be abolished."

GIRLS', BOYS' CLASSES ENJOY VALENTINE PARTY

Prospect, Feb. 16.—The girls' and boys' classes of the Baptist Sunday School, taught by Mrs. Glenwood Beard, and Mr. Carl Harmon, held a Valentine party Saturday night, at the home of Miss Esther Kinnel. The house was decorated in keeping with Valentine Day and a Valentine box was enjoyed. Several contests were held with Miss Ivo Bumgartner as the winner. Dainty refreshments were served by the hostess and committee.

Pimples, Boils, Skin Eruptions

Skilled physicians recognize the appearance of pimples, boils and other skin eruptions as being an indication of an abnormal condition of the system. That is why so many thousands have been enabled to free themselves of these unsightly blemishes and painful annoyances by taking a course of S. S. S. You owe it to yourself to try S. S. S. It helps Nature build up red corpuscles. It improves the processes by which the blood is nourished. It is time-tried and reliable. "I suffered from impure blood," was weak, and I lost so much weight. I didn't look natural. I had pimples and was also bothered with a breaking out that itched terribly. I also had boils one after another.

trial different kinds of remedies, but nothing did me any good until a friend advised me to take S. S. S., which I did. This was some time ago. Now I feel well, and I am getting along fine. S. S. S. stopped the itching and it cured me of boils. I advise all weak and run-down people to give S. S. S. a trial. It clears up the skin and makes you strong and fills you with energy." Mrs. J. W. Barker, 1337 Walnut Street, Cincinnati, Ohio.

S. S. S. is made from the fresh roots of medicinal herbs and plants and is prepared in a scientific way in a modern laboratory.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.—Adv.

COUNCIL PASSES ORDINANCES FOR WAGE INCREASES

Pay of Kenton Public Works
Superintendent and Water-
works Employees Affected

Kenton, Feb. 16.—Ordinances granting wage increases to the superintendent of public works and engineers and firemen of the municipal owned waterworks, were passed last night by Kenton city council, under suspension of the rules.

Under the terms of the new law Frank McElroy, recently appointed superintendent of public works, will receive \$150 per month, an increase of \$25. The chief engineer at the waterworks will receive \$150 while the two creative engineers will receive \$120. Three firemen are to get \$110 apiece. The new salaries represent a 5 per cent increase over their former wage.

Reasons for an increase in wages or at least a week's vacation, was presented by the waterworks men several months ago however councilmen did not take definite action until the group was available.

Numerous requests for the installation of lights in various sections of the city will not be acted upon by council until after a plan, proposed by W. T. Auger, manager of the Ohio Power Company, in this district, for the erection of more modern arc lights, is presented and gone over.

Repeating of the present arc lights with the new ones, it was pointed out, would eliminate much of the interference in local radio reception.

Councilman John Hogan announced last night that Mr. Auger would have the plan ready for the legislators within a few days.

Written request is to be forwarded officials of the Erie Railroad Company asking that they repair and improve the railroad crossings over their tracks at Franklin-st. Citizens of Franklin and Leighton-st. most frequent users of the walks are complaining, according to Councilman Joseph Tussing.

MT. GILEAD CLUB HOLDS ITS REGULAR MEETING

Session Held at Home of Mrs.
Lulu Higgins; To Meet
in Month

Mt. Gilead, Feb. 16.—The Women's Twentieth Century Club met yesterday afternoon at the home of Mrs. Lulu Higgins. Following the roll call, to which the members responded with current events, Mrs. Anna McLaughlin read a paper on "Our Insular Possessions," the "Iron Puddler," was the subject of Mrs. E. A. Mackley's contribution. Woman's work was discussed by Mrs. Alice McElroy. Music concluded the program. Hostesses were Mrs. Higgins, Mrs. Flora Sterritt and Mrs. McLaughlin.

On account of the three weeks' series of evangelistic services to be conducted here, it was decided not to meet in two weeks, and to combine that meeting with the one to be held at the home of Miss Ola Shaw.

FIFTEEN MOTHERS ATTEND MEETING ON CHILD CARE

Mt. Gilead, Feb. 16.—Fifteen mothers belonging to the Farm Bureau attended a meeting Tuesday conducted by Miss Wanda Perylska who spoke to them about child-care. Miss Perylska's talk was the first of a series of four which will be conducted some time in May. Her lecture on economic problems and other concerns of the housewife reached 504 members who finished the health work last year. The meeting was held in the Farm Bureau office. All brought food for a basket picnic.

WOMAN DIES

Widow of Dunkirk Business Man
Claimed After Long Illness

Kenton, Feb. 19.—Mrs. Sarah Beane, 57, widow of the late John Beane, Dunkirk business man, died at the home of her daughter, Mrs. Isaac Leitch, Dunkirk, after a four years' illness. She had resided in Marion County for 75 years coming to Dunkirk with her parents at an early age.

Two sons, two daughters and a sister survive. Funeral services will be held from the daughters' home Thursday afternoon with Rev. P. V. Pehon, pastor of the United Brethren Church, officiating.

YOUNG PEOPLE'S NIGHT IS OBSERVED AT GALION

Special Evangelistic Services
Are Conducted at Pres-
byterian Church

Galion, Feb. 16.—Young People's night was observed last night at the Presbyterian church in connection with the special evangelistic services which have been in progress for over a week. A large number of the younger members of the church were present to assist in making the service successful and interesting. The speaker for the event was Rev. Daniel Hamill of Mt. Gilead whose special message carried an especial appeal to the young people of his audience. Special music had been arranged including several songs by the primary class of the Sunday school and vocal selections by Mrs. Lusk.

FUNERAL SERVICE HELD FOR ACCIDENT VICTIM

Injuries Suffered When Hit By
Car Prove Fatal
To Lad

Bucyrus, Feb. 16.—Harry Briggs, 10-year old son of Mr. and Mrs. Carl Briggs, Winger-st. who was injured Sunday night when he was run down by a car driven by Corlies Myers on Plymouth Hill. Briggs was taken to the hospital Sunday night by Myers where the boy died Monday. Funeral services for the boy were held at the home at 1:30 o'clock today and at the Mount Zion church. The family recently moved to Bucyrus from Mount Zion.

Harry Briggs was coasting with his brother Charles when the fatal accident happened. Myers was also of all blame by Chief of Police Trautman after investigation disclosed that he and know made it impossible for the accident to be avoided. Parents were warned to keep their children in of the street.

The victim is survived by his parents, two sisters, Margaret and Wilma and two brothers, Charles and Clarence at home.

ELECT OFFICERS

Kenton Legion Post Auxiliary Holds
Organization Meeting

Kenton, Feb. 16.—Organization of a women's auxiliary of the Kenton Post of the American Legion, was perfected here with the election of permanent officers. State charter was received several days ago.

Mrs. Roy A. Martin was elected president. Others named are: Mrs. E. B. Deatour, first vice-president; Mrs. Ralph Jones, second vice-president; Mrs. Bess Tullis, secretary; Mrs. Carl Smith, treasurer.

Chairman of the Northwest Ohio district of the Ohio auxiliary, will formally install the officers February 24.

MOVE TO FOSTORIA

Carey, Feb. 16.—Mrs. Nelle Still moved her household goods to Fostoria Monday where she will live with her parents, Mr. and Mrs. Bert Painter.

BRIDGE CLUB MEETING HELD AT SHAFER HOME

Carey, Feb. 16.—Mrs. Merwin Shafer and Mrs. Russell Gottfried entertained the Bridge Club Monday night at the home of the former. After an evening spent with bridge, luncheon was served by the hostesses. Mrs. Carl Graham of Willard, Mrs. Norman Zahn of Marion, James Ogar were guests. Mrs. Fred Lyle and Miss Elizabeth Roll will entertain the club in two weeks.
